★★★★ YOUR CRUISE SPECIALIST IN GREECE

Turning moments into memories

Your cruise specialist in [Greece](#)

WHO we are..

Rib Cruises is the most advanced rib boat rental operator in Greece and has been a provider of yachting services for more than 20 years.

Our mission is to provide our end-users an unforgettable sea journey experience of the Greek islands, focusing on safety and 24-hour support.

Rib Cruises operates more than 52 boats, ranging from 4 up to 15 meters from 5 key-ports in Greece.

Rib Cruises offers the latest modern and fully equipped rib boat options in the market and our highly experienced staff guarantees your satisfaction in a wide range of services, including bare boat charter, skippered boats, daily- trip excursions, short & long-term charters, promotions, incentives, sea transfers, flotilla group, sea patrol and chase tenders.

CHASE TENDERS

Experience unmatched versatility and reliability with Rib Cruises' Chase Tender Service, tailored for captains of larger yachts seeking performance-driven solutions. Our fleet, ranging from 4 to 15 meters, combines cutting-edge technology with robust design to ensure a swift and efficient complement to your yacht. Forget the hassle – our chase tenders are not just vessels; they're a pragmatic extension of your maritime endeavors. Backed by over 20 years of yachting services, Rib Cruises guarantees top-notch support and satisfaction.

Nani Technohull Gt38-2X300HP Yamaha

Meet the Technohull GT 38, a vessel that proudly carries the legacy of Technohull by shattering world speed records in the rib boat category, achieving an extraordinary 103 knots. This rib boat exemplifies the perfect fusion of raw horsepower and a cutting-edge hull design, showcasing Technohull's commitment to innovation and performance. Our Technohull GT 38, powered by 2 x 300HP V8 Mercury engines, delivers an impressive 600hp, catering to the desires of speed enthusiasts. From planning cruises at 35 knots to achieving a remarkable top speed of 65 knots, the GT 38 is a custom creation designed to provide a spacious deck layout for guests during anchor moments, ensuring an unrivaled balance of cruise efficiency and speed. More than just a vessel, the GT 38 represents a thrilling experience that pushes the boundaries of speed and luxury on the open sea, inviting you to embark on a new era of marine excellence with Technohull.

Koilada Blue 1 Ribco Seafarer 36X-2X400 VERADO

Meet the brand new Ribco Seafarer 36X, an iconic rib boat that redefines the market. Taking the category to unprecedented heights, this vessel maintains its well-known hull while introducing a completely new deck. Boasting two cabins, two sunbeds, two rows of seats, a WC, wet bar, and a couch, the Seafarer 36X offers a comprehensive package of luxury and functionality. A standout feature is the innovative T-Top, constructed entirely from carbon fiber, not only reducing weight but also enhancing the center of gravity for optimal performance. Elevate your boating experience with the Ribco Seafarer 36X – where iconic design meets cutting-edge technology, setting a new standard in the world of ribs.

TAK – Technohull Sea DNA 999 G5 – 2x300HP Yamaha

Meet the SEA DNA 999 G5, a pinnacle of custom high-end sport rib boats that empowers enthusiasts with the raw force of the sea. Fitted with 600 horsepower from twin 300hp Yamaha engines, this vessel is the ultimate choice for speed lovers. From a smooth planning cruise at 16 knots to an impressive top speed of 62 knots, the SEA DNA 999 G5 guarantees absolute safety at every turn. Crafted with a custom design focused on a more spacious deck layout for anchored moments, it flawlessly balances cruise efficiency and speed. The meticulously arranged seating ensures a comfortable and elegant experience, perfect for luxurious long-range cruises in Greek waters or as a mega-yacht tender. For those who appreciate speed on the water, the SEA DNA 999 G5 is the epitome of Technohull's innovation, offering an unparalleled combination of speed, luxury, and design excellence.

Dimivez-Technohull GTX- 2X300 HP YAMAHA

Meet the GTX, a revolutionary boat that redefines day cruising in the 10 m+ category, setting new standards of excellence. With the iconic TECHNOHULL silhouette and refined aesthetics, the GTX seamlessly combines a sophisticated hull design with a spacious deck, transcending expectations in its class. This vessel is not just about sleek design lines and a sharp bow; it's engineered for unparalleled performance in any weather condition. The GTX's wide and spacious layout ensures ultra-comfortable days on board, while its dynamic and sporty edges cater to top-of-the-line performance. Whether in motion or at rest, the GTX promises a complete and extraordinary boating experience, pushing boundaries and elevating day cruising to new heights. Welcome to a new dimension of boating luxury with the GTX – where sophistication meets limitless performance.

Rose – Ribco 33 – 2 x 300 HP Verado

Introducing the Seafarer 33, born from the inspiration of its larger sibling, the Seafarer 36 X. Our goal was to encapsulate a similar philosophy in a more compact vessel, delivering luxury, comfort, high quality, and offshore capabilities in a model under 10 meters. Exclusively crafted with outboard engines, the Seafarer 33 offers versatility, accommodating a single outboard of 400 Hp to even 2x300 Hp for speed enthusiasts. This model seamlessly marries performance with a commitment to quality, ensuring an exceptional boating experience that reflects the essence of the esteemed Seafarer lineage.

Andiamo Rock 36 – 2 x 300 HP Verado V8

Meet the Rock 36, the epitome of versatility, sporting a character and helm station designed to deliver the ultimate RIBbing experience. This vessel makes no sacrifices on amenities, offering a day cruise experience comparable to much larger vessels. Lounge and relax on the expansive fore and aft sunbeds, indulging in the perfect blend of luxury, performance, and ample deck space. The Rock 36 stands as the ideal chase tender solution in its class, redefining expectations with its seamless fusion of style, performance, and spacious deck design.

Vertigo – Sacs Strider 11m – 2 x 300 HP Verado

Meet the Strider 11, a revolutionary semi-cabin inflatable boat that shatters preconceptions about Italian inflatable craftsmanship. Stretching almost 12 meters in length, this vessel epitomizes Italian innovation with its deep V hull design, ensuring unparalleled seaworthiness even amidst the most challenging weather conditions. Beyond its inviting cabin, the Strider 11 boasts expansive deck spaces capable of comfortably hosting over 12 passengers during voyages and even more at anchor. With a remarkable 24.3-degree deadrise at the transom, it effortlessly glides through rough seas, redefining the standard for smooth sailing. It's not just a boat; it's a bold declaration of Italian excellence, seamlessly blending style, comfort, and performance for an unparalleled on-water experience.

Daios Cove – Technohull GT 38 – 2 x 300 HP Yamaha

Introducing the GT 38, the unrivaled speedster of the seas! Technohull proudly presents this marvel, breaking records as the fastest rib boat globally, clocking a staggering 103 knots. With its fusion of sheer horsepower and cutting-edge hull design, the GT 38 is a testament to Technohull's relentless pursuit of excellence. Equipped with twin 300hp Yamaha engines, delivering a total of 600hp, this rib is a dream come true for speed enthusiasts. From a cruising speed of 35 knots to a mind-blowing top speed of 65 knots, it offers an adrenaline-packed experience like no other. Crafted with meticulous attention to detail, its bespoke layout prioritizes spaciousness on deck, ensuring ultimate comfort for guests while anchored, without compromising on cruise efficiency or speed prowess. The GT 38 isn't just a boat; it's a triumph of engineering ingenuity, promising an exhilarating journey every time it hits the water.

Armadillo – Rafnar Targa 40 – 3 x 300 HP Yamaha

The Rafnar Leisure is the ideal boat for the leisure and recreation market. Even though these vessels were designed for the world's most demanding conditions, they are at the same time perfect for leisure cruising in more hospitable waters. Rafnar Leisure doesn't only have a genre-defining hull but also a top exterior to match it. It is not only incredibly beautiful but also safe and practical. Combining our decades of experience cruising in some of the world's toughest conditions. Plenty of storage space in the foredeck with an option for a seating area. Why not add two storage compartments with a total capacity of 800L, offering room for anything you might need on board. Pack your bags for fun or longer journeys, with a Rafnar boat everything is possible. Excellent vision at all times due to the hull's flat rise to the plane, with all controls accessible at your fingertips.

Souan-Technohull GT7-2×150 HP Yamaha

One of a kind and unique in her dimensions, small yet super spacious, and at the same time a genuine TECHNOHULL in performance and aesthetics, the GT7 is certainly a game changer in the medium small category, coming to prove that anything is possible out of a powerful insight. The GT7 boasts a balanced, finely designed hull which allows the boat to outperform in all aspects of performance. Economy and quality cruising, along with high speeds in the range of 55 knots is the minimum standard for GT7.

Kallivez – VSR 580 – 1 x 70 HP Yamaha

The vSR RIBs have been meticulously crafted from the outset with a singular vision: to embody a vessel of exceptional seaworthiness, providing invaluable support to sailors when faced with challenging conditions. The incorporation of a distinctively sharp and deep bow in the design marked a transformative moment in the realm of sail-coaching.

Subsequent to this innovation, extensive research has been conducted to reduce the wet surface area, resulting in remarkable efficiency and minimal fuel consumption. Additionally, the vessels boast astonishing maneuvering capabilities. Embark on a journey in adverse conditions with a vSR, and you will unmistakably EXPERIENCE the discernible difference!

A speedboat is shown from an aerial perspective, moving across a teal ocean. The boat is leaving a white wake behind it. The bottom of the image features white, fluffy clouds. The text "MOTOR BOATS" is overlaid in the center in a white, sans-serif font.

MOTOR BOATS

Nimbus T11

Introducing the Nimbus T11 – the ultimate chase tender designed to dominate the Aegean waves and elevate your boating experience to unprecedented levels of luxury and performance. With a sleek Scandinavian aesthetic and futuristic design, this vessel is not just a boat; it's a statement of style and functionality. Offering adjustable seating arrangements, a spacious lounge area, multiple sunbeds, and an outdoor cuisine, the Nimbus T11 is tailor-made for unforgettable day trips around the Greek islands. Its outboard engines provide unparalleled maneuverability, making it the perfect choice for shallow seas. Experience the perfect blend of comfort and excitement as you navigate with ease, enjoying the impressive deck space and ergonomic design. The Nimbus T11 is not just a vessel; it's a lifestyle choice for those who demand the best in chase tender innovation. Step into a new era of boating excellence with the Nimbus T11 – where every journey is a testament to luxury and performance.

Blue Game 47 by San Lorenzo – 2 x 715 HP Cummins

Introducing the BG and BGX Range, each embodying specific features tailored for different segments, yet united by the foundational values that define the unique DNA of Bluegame. From a great hull design ensuring a seaworthy and comfortable ride to sturdy construction, well-protective sidewalls, and expansive beach areas open to the sea, the BG and BGX Range remain faithful to their distinctive DNA. With generous front lounge areas, connected cockpits, an optimized helm station position, and exceptional visibility, these vessels prioritize extremely easy maneuverability. The commitment to superior quality, meticulous attention to details, and an understated elegance further solidify the identity of Bluegame, promising a boating experience that is unparalleled and enduring.

WAI – Pardo 38 – 2×300 HP Volvo Penta Diesel

Meet the award-winning Pardo 38, a masterpiece from Cantieri Del Pardo, offering a perfect escape to explore the stunning Cycladic islands. This elegant boat is a sunbather's dream, featuring bow and stern lounging areas, a spacious cabin, and a six-person cockpit table, all adorned with natural teak accents. Ideal for day charters in the central Cyclades, this sought-after vessel comes with a dedicated skipper, ready to unveil the hidden gems of the region. With its European Power Boat 2020 award-winning design, the Pardo 38 promises a perfect blend of sophistication and functionality, providing an unparalleled experience for your day of exploration in the Cycladic paradise.

Parafron – Targa 46 – 2 x 480 HP Volvo D6 IPS 650

Meet the Targa 46, a sensational addition launched in 2022 that seamlessly continues the legacy of its esteemed predecessors, the Targa 42 and 44. Beyond its larger size, the T46 introduces a higher deck, redefining lower-deck comfort to unparalleled heights. Featuring a more expansive engine room, this vessel offers the option of equipping twin Volvo Penta D8-IPS800s for a truly breathtaking performance. The flybridge, capable of comfortably seating seven persons, takes your boating experience to a new level. Enhance your comfort further by adding an extra foldable wind shield or a Bimini top to the flybridge, adapting to diverse climates. The Targa 46 is not just a boat; it's a statement of sophistication and performance, setting a new standard in the Targa series.

Itama Forty 44 – 2 x 450 HP MAN

The Itama Forty is full of innovations, both inside and out. First and foremost, the dimensions: this vessel is now really 40 long. The capacity of a design that offers the ultimate layout is the first strong point of the new Itama Forty. Thanks to the painstaking care taken in its design and the results obtained, the cockpit is now much larger and comfortable. The external profile, the windscreen and the top, have also been restyled to suit the third millennium and turn the new Itama Forty into a modern classic: a boat that fully satisfies the clients desires for solutions that marry style with a more direct and exciting way of living the sea. The new fittings have a contemporary design that give the interiors a modern, up-to-date feel. The overall result is an extremely appealing, fast cruiser that combines a perfect harmony of high performance, reliability and sophisticated comfort.
